Pre-Conference Workshop: 18th – 19th Nov'25 | Main conference: 20th – 22nd Nov'25

SECOND ANNOUNCEMENT BROCHURE

INVITATION

Dear Colleagues,

On behalf of the Organising Committee and the Indian Pharmacological Society, it is our immense pleasure to invite you to the International Pharmacology Conference (IPC) & 55th Annual Conference of the Indian Pharmacological Society (IPSCON 2025), to be held at Panjab University, Chandigarh from 20th to 22nd November 2025. The pre-conference workshops have been scheduled for 18th & 19th November 2025.

The aim of this conference is to provide a platform and opportunity for young Pharmacologists / medical Professionals / veterinarians to interact with experts in the diverse areas of pharmacology. The theme for IPC-IPSCON 2025 is therefore selectively chosen as **“Empowering Young Minds to Transform Pharmacology for Viksit Bharat”**.

The conference would bring together key experts, speakers from across the world and hailing from various domains of Pharmacological research/ health/biomedical/ veterinary and life science, especially, drug industry, medical & pharmaceutical, IPR, entrepreneurial ventures, regulatory affairs and academia. This conference will offer an ideal opportunity to develop new collaboration and partnership with experts in the field. The conference events will encompass plenary, keynote and invited talk, company exhibit, podium presentation and poster session woman forum and start-up, all demonstrating novel and innovative research outcome and futuristic scientific trends.

We eagerly anticipate enthusiastic participation from students, pharmacologists, veterinarian, life sciences, clinicians, and esteemed National and Global leaders for this landmark event. We expect over 2000 national and international delegates to join this mega event. IPC-IPSCON 2025 promises to be a melting pot of ideas, innovation, and collaboration. Your esteemed presence and contribution will be instrumental in making this conference a grand success.

We look forward to welcoming you to IPC-IPSCON 2025 and engaging in fruitful discussions that will shape the future of pharmacology.

ABOUT THE CONFERENCE

The conference aims to discuss emerging advancements in the diverse areas of pharmacology and medical science/ clinical pharmacology. The conference is specially designed to empower/ encourage young minds and to provide various opportunities to young pharmacologists/ veterinarians/ medical professionals to transform pharmacology for Viksit Bharat. The theme for IPC-IPSCON2025 is therefore selectively chosen as **“Empowering Young Minds to Transform Pharmacology for Viksit Bharat”**.

Pharmacology is the foundation of healthcare innovation, holds immense potential to shape the future of a " Viksit Bharat" (Developed India). By empowering young minds that can unlock the creativity, knowledge, and revolutionize pharmacology to address India's unique healthcare challenges. Vision and mission for this transformation includes

- a)** Fostering education and research by strengthening advanced research and related opportunities.
- b)** Introduction of diverse skill-based training programs to enhance practical understanding and innovation.
- c)** Promoting indigenous innovations by encouraging research into traditional Indian medicine (Ayurveda, Siddha, and Unani) and integrating, it with modern pharmacological practices/ approaches.
- d)** Encouraging startups by creating incubation centers and funding opportunities to support young entrepreneurs in the pharmaceutical and biotech industries.

Besides, the conference would provide a platform to facilitate mentorship programs by industry leaders to bridge the gap between academia and industry and the role of pharmacology in nation-building. By equipping young minds with the tools to innovate and lead, India can rise as a global hub for pharmaceutical excellence, ensuring health equity.

ABOUT PANJAB UNIVERSITY

The Panjab University is a globally renowned academic institution catering to education and research. Panjab University is a hub of academic excellence and accredited with highest NAAC Grading CGPA of 3.68 on a four-point scale with at A++ Grade in 2023. It is one of the oldest Universities in India, established in 1882 at Lahore (now in Pakistan), with its campus spread over (550 acres) in Sectors 14 and 25 of city, Chandigarh. The university has 74 teaching and research departments and 202 affiliated colleges, 6 Constituent colleges and 4 regional Centres spread over Punjab. ABOUT UNIVERSITY INSTITUTE OF PHARMACEUTICAL SCIENCES (UIPS)

The University Institute of Pharmaceutical Sciences (UIPS) of Panjab University is one of the most prestigious pharmaceutical institute of India. The institute set up in the pre-independent India, at Lahore, in 1944. Known for its excellence in pharmaceutical education, research and committed to serve the society by adopting global quality standards and ethical values to generate innovative pharmaceutical products, the UIPS has been ranked numero uno among public pharmacy institutes in the NIRF rankings released by the Ministry of Human Resource Development (MHRD) of India since 2016. More than 2000 graduates, almost 1800 Postgraduates and 290 Ph.Ds are the proud alumni of this institute. UIPS has been accorded with SAP/DSA, COSIST, CAS & DST-FIST by various national agencies. UIPS is the only pharmacy institute in the country assigned UGC-NRC program and trained 700 pharmaceutical professionals. UIPS successfully discovered new molecules, transferred more than 12 indigenous technologies to the industry and more than 8 products are in the pharmaceutical market. The literary and research wealth of the institute includes 63 text books, 55 monographs including 26 listed in Ayurvedic Pharmacopoeia of India, and more than 3800 research publications. Institute is credited with more than 65 granted and 50 filed patent applications.

TECHNICAL PROGRAM

The conference endeavours to cover the frontier areas in healthcare, particularly pharmacology and health/medical science. The conference schedule encompasses plenary lectures by eminent experts (India and abroad) industry/academia, keynote, symposia, workshops, invited talks, poster/ oral poster sessions, open panel discussion and various industry/pharmaceutical company exhibition.

CALL FOR PAPERS/ PRIZE

IPC-IPSCON2025 invites original and novel contributions from researchers, academicians, scientist, technologist, industrialist and students on various topics for presentation (oral and poster) during the conference:

- | | | |
|---|----------------------------|------------------------|
| 1. Cardiovascular pharmacology | 4. Cancer and chemotherapy | 7. Respiratory Disease |
| 2. CNS / Neuropharmacology | 5. Receptor pharmacology | 8. Toxicology Disease |
| 3. Herbal or indigenous/ traditional medicine | 6. GIT Disorder | 9. Metabolic Disorder |
| | | 10. Miscellaneous |

SUBMISSION GUIDELINES

Abstracts for oral / poster and prize presentation should be submitted online on our website www.ipscon2025.com by 15th Oct, 2025. The abstract should be in 250 words without any image and graph.

At least one of the authors should be registered for the conference. The papers received without registration fee will not be included in the conference scientific programme.

PRE-CONFERENCE WORKSHOP

Pre-conference workshop in the areas of artificial intelligence, organoids, microscopy, medical writing etc have been arranged on 18th and 19th November 2025 which would aim to train the noviciates on diverse areas. For details, please visit www.ipscon2025.com.

EXHIBITION AND SPONSORSHIP

IPC-IPSCON 2025 will provide an ideal platform for pharmaceutical industry, academia, publisher and governmental organisation to interact and derive the commercialisation of healthcare related discoveries. Industrial organisation engaged in healthcare devices, innovation, chemicals, testing laboratories, technological research centre, startup, are invited to join the conference and exhibit their products and process to a galaxy of researchers and captains of the industry. For this purpose, a separate exhibition area with standard exhibition facilities has been planned. Please visit our website, www.ipscon2025.com for more details on exhibition.
